What is a FRIEND?

Friends of St. Mary's County Library (FOL) is a nonprofit, volunteer organization of community members dedicated to helping the St. Mary's County Library system.

What does a FRIEND do?

Help their library become even better!

The purpose of the FOL is to maintain a group of persons interested in their library who:

- Encourage public support of the library
- Promote increased use of library services and resources
- Advocate for legislation and funding to strengthen the library
- Volunteer for a variety of library and Friends' projects
- Donate funds for special materials and projects
- Sponsor special events

Why be a FRIEND?

The benefits of joining the Friends of St. Mary's County Library include:

- "Early bird" buying privileges at the FOL Book Sale before it is opened to the general public
- Special Friends' events such as the annual brunch, dinner, and author receptions
- The company of good Friends who share your love of libraries
- Quarterly newsletters and invitations to special events

Friends funds have provided support for all three library branches:

- Children's summer programs
- Materials to check out
- Furniture for children and adults
- Computers and printers
- Display fixtures
