- New Leonardtown Library:
  - The 2011 Capital Budget includes funding for the design of the New Leonardtown Library. The funds for construction have remained in FY 2015 because the County was just informed they need to replace their emergency communication towers before 2014.
  - Six A/E firms were interviewed April 30 and May 1. Three firms have moved to the next phase to submit cost proposals.
  - It was agreed that Ms. Reif should not pursue a FY 2012 state capital grant. Ms. Reif will attend Board of Public Works meeting on May 19 when the FY2011 grant will be officially signed.
- Auditor's FY 09 Management letter:
  - Ms Reif has still not received a final draft of the MOU. Alan Dillingham will send an email to John Savich, with copies to all of the BOCC, asking for an update on the MOU's status.
  - Library's Administrative Assistant will be taking Accounting I and II at CSM in Fall and Spring so we will meet the fiscal over-site requirements.
- Credit Card Process: received a second quote on credit cards from PNC Bank and they are higher than Bank of America so we will go forward with Bank of America. Plans are to have this new service available in July 2010.
- The current owner of the Library Café has asked to be excused from her contract due to health reasons. The Board agreed to this request and agreed to post A Request for Expression of Interest to recruit a new vendor.
- Reviewed the results of the recent customer survey. (See attachment.)
- Distributed a copy of the revised and updated IT Plan for St. Mary's County Library. (See Attachment) Discussed the list of needs for SMRLA support.
- Updates: Text a Librarian is a new service which began in May; TruGreen Lawn Service (a county contractor) will weed and mulch the Lexington Park and Charlotte Hall grounds which the library's operating budget will cover.

**Unfinished Business**

- The board agreed that any one of the remaining 2 candidates on the Library Board Candidates list, sent to the BOCC in February, would be an acceptable replacement for Jan Briscoe when her term ends June 30, 2010.
- Discussion and further revisions were made to the Reduction in Force policy. The new draft will be presented at the June Board meeting for further discussion and approval.

**New Business**

- Mary Anne Bowman joined the meeting to present Charlotte Hall's community profile, to discuss various changes that have improved the branch services, and system-wide staff development initiatives. She then conducted a tour of the library. Robert Palmer demonstrated the new self-checkout machines funded by SMRLA.

Meeting adjourned at 12:10 pm.

**Next Meeting: June 15, 2010 at the Leonardtown Library.**
