

# Learning fun for your little one!

## Port of Leonardtown

- Look at the birds along the waterfront. Can you identify any of them?
- Plan and pack a healthy snack to eat when you visit the wharf.
- Take a walk along the waterfront and see the famous compass rose. Talk about north, south, east and west and how a compass is used.
- Take pictures with your camera. When you get home, make a collage of your pictures.
- Talk about the importance of being safe near water.
- Identify objects that begin with B, L or S.
