Join us for
storytimes.

Sun	Mon	Tue	Wed	Thu	Fri	Sat
Give your child directions for setting the table.	Have your child guess whether the groundhog will see his shadow.	Have your child recite the alphabet to you.	Cut out several circles, squares, and triangles for your child to use to make a picture.	Trace your child's hands on paper. Label and cut out each hand. Place on the refrigerator to reinforce left and right.	Give your child directions on how to make a sandwich. Have your child make the sandwich.	Trace around a heart shape. Cut out the heart shape and color the heart red.
Write "I love you" on a sheet of paper. Have your child count and identify the letters.	Give your child 9 candy hearts. Have him/her count them.	Read to your child for at least 15 minutes.	Have your child make a Valentine for each person in your family.	Have your child plan a fun family activity for the week-end.	Make a Valentine treat together to share.	Help your child separate his/her Valentines into 2 groups.
Make a loud sound and a soft sound. Have your child tell you which is which.	Have your child look at a calendar and circle all the 6's.	Have your child brush his/her teeth 10 times on each side.	Have your child sort pieces of colored cereal by color.	Have your child look at road signs and tell their shapes.	Discuss these people with your child: mail carrier, butcher, pilot, baker, grocer.	Read a poem to your child.
Provide your child with a paper sack and crayons to create a funny-face puppet.	Listen to music with your child.	Take a walk with your child today.	Pop popcorn with your child. Have your child count out various amounts.	Read your child's favorite story. Ask your child to tell you the story in his/her own words.	Have your child compare toys using these words: big-little, large-small.	Let your child plan the dinner menu today.

Children are made readers
on the laps of their parents!
