**Family Scavenger Hunt - For Groups of All Ages**

1.  Find something with flowers on it.
2.  Name a vegetable in your refrigerator.
3.  Do you see trees or bushes in your neighborhood that are changing color? What color(s) do you see besides the color green?
4.  Bonus Question: Is a tomato a fruit or a vegetable?
5.  When you are outside, what animal or insect sounds do you hear? Name the animal you hear (or see) and describe the sounds they are making.
6.  Do you have any fruit in the house? If so, what kind?
7.  Bonus Question: What soil conditions are required for earthworms to live?
8.  Find an oak tree. Is the bark smooth or rough?
9.  What kind of legumes do you have in your pantry?
10.  Name a flower that is the same color as your shoes.
11.  Find a plant that has buds, flowers, or seed pods.

12.  Bonus Question: How can you determine the age of a single tree?
13.  Name a plant that begins with the first letter of your last name.
14.  Find an acorn or a pine cone.
15.  Bonus Question: What types of trees stay green all year round?
16.  Name 3 different kinds of herbs that you have seen or might see in a grocery store.
17.  Find a pumpkin that is being used in your neighborhood or community as part of their fall decorations.
18.  Find something that you can use for composting.
19.  Bonus Question: Tulips, Daffodils, and Lilies have what in common?
20.  Find a stick that makes a “Y” shape.
21.  Insects, birds, and mammals help pollinate plants. Can you spot any pollinators?
22.  Find a spider web.
23.  Bonus Question: What 3 things do plants need to survive

Have questions? Join the Zoom meeting scheduled for December 4<sup>th</sup>, 2020 at 5:00pm to go over your answers (and bonus question answers) with Master Gardeners and gain some more knowledge about the environment, plants, animals, and soil in your area!
